SAMPLE REQUESTS

We are generally able to provide customized samples to your specifications but there will be a fee to cover the costs for these. Lead time and cost for samples vary from project to project.

Your Townsend Leather Customer Service rep will be happy to provide a quotation for both sample and production orders, working along side you on the details of your project.

Digital renderings can be requested to see different leather and thread combinations.

Townsend Leather has an highly experienced Graphic Design Department that will assist you through the process. Charges may apply for customizing artwork and support.
